Modern Living Furniture

30+

experience centres across India

REASONS TO CHOOSE 'SPACEWOOD'

- International designs by expert in-house designers.
- Widest range of immaculate finishes.
- Wide choice of accessories and fittings from leading brands.
- Proudly Made in India.
- Lifetime Service.
- Rigorous testing of products at in-house Lab.
- Up to 10 years warranty.

WE'RE SPACEWOOD

The one-stop destination for premium modular furniture. As India's leading modular furniture brand, we are committed to continuously evolve by setting trends and landmarks in designs through our innovations.

We love developing new recipes for creating world-class kitchens and wardrobes that have delighted over a million customers (and counting). Each kitchen and wardrobe is developed from the perfect combination of quality, expertise and over 26 years of experience.

From elegant classics to vibrant contemporary, find the perfect kitchen and wardrobe that matches your tastes, no matter where you reside in the country. Our 25-acre state-of-the-art manufacturing facility in India ensures only top-notch quality worthy of the Spacewood name.

'Explore our vast range featuring exquisite style, seamless ergonomics and space-saving designs.'
